3rd ANNUAL CONFERENCE OF NATIONAL HEART INSTITUTE

WELCOME

National Heart Institute (NHI) is one of the biggest tertiary care centers for CV medicine and surgery nationally and may be in our region.

Its our pleasure to welcome all of you for the 3rd version of NHI annual conferences. Most of the data in this conference reflects practices and research at NHI.

A highly qualified training workshops program was designed for this event supporting building capacity for education in our beloved country and for the region, as NHI hosts many training programs for doctors from all over Egypt and from different countries in the region.
