WELCOME TO

GASTROEGYPT

2024

We are thrilled to invite you to this prestigious annual Conference, set to bring together leading experts and medical professionals from the fields of Gastroenterology, IBD , Endoscopy, alongside a wide array of specialized workshop.

With over 45 national and international companies participating, this is an unparalleled opportunity to connect, share knowledge, and explore the latest advancements in the industry.

This year, we are excited to host the event across two iconic cities: Alexandria and Alamein

- Alexandria, the Pearl of the Mediterranean, is a city steeped in history and culture. Known for its beautiful coastline and vibrant atmosphere
- Alamein, Rapidly becoming one of Egypt's premier destinations, offers a tranquil environment and stunning views.

We are honored to welcome participants from across Egypt—from the north to the south, and the east to the west. Our comprehensive agenda includes courses and workshops designed for all levels, including "Gastroenterology professionals, IBD specialists, Nurses, and Healthcare Professionals (HCPs)".

Join us for an unforgettable experience as we shape the future of gastroenterology together!

We Look Forward to Welcoming You!

Gastroenterologist Should be The Conference

Vision

There is an urgent need for skilled , updated gastroenterologist to deal with gastrointestinal problems safely in pregnant females.

Mission

To fill the gap in clinical practice by providing well trained gastroenterologist able to take the best decision as regards diagnosis and management of gastro intestinal problems among pregnant females , in addition to providing basic knowledge about drugs selection , safety and follow up to obstetricians.
