The 7th KUC annual
conference..

**"Electrolytes & Acid-base
balance (A-Z)"**

Welcome..
to the 7th KUC annual conference.

This year, we will go all-together on a trip to the mysterious world of acid- base balance and electrolytes. A dedicated journey of multidisciplinary lectures, interactive workshops and step-wise approaches in the company of our promising team of nephrologists, clinical pharmacists and nutritionists. This is along with a multidisciplinary team approach of intensivists, endocrinologists, cardiologists, and others. Challenging case-scenarios, interactive discussions, and hands-on experience are just waiting for you!

Prof. Dr. Ahmed ElKeraii

The 7th KUC annual
conference..

Day 1
Nov. 28th

Session 1: Electrolyte disorders: Basic concepts and clinical implications

Moderated by: Prof. Dr. Yasser Neana, Prof. Dr. Ahmed Elkerai

9:00 – 10:00 AM	Registration	
10:00 – 10:15	Lecture 1: Hyperkalemia: navigating potassium peaks and patient safety Discussion	Dr. Mohamed Abd El Gawad
10:15 – 10: 20		
10:20 – 10: 35	Lecture 2: Navigating the complexity of Hyponatremia Discussion	Dr. Omneya Salah
10:35 – 10:40		
10:40 – 10:55	Lecture 3: Hypokalemia: causes, risks, and fixes Discussion	Dr. Mohamed Abd Elsalam
10:55 – 11:00		
11:00 – 11:15	Lecture 4: Hyponatremia: when water overrules! Discussion	Dr. Sherine ElNaggar
11:15 – 11:20		
11:20 – 11:35	Lecture 5: Demystifying the Mystery of Hypocalcemia Discussion	Dr. Mohamed Gheriany
11:35 – 11:40		
11:40 – 11:55	Lecture 6: Hypercalcemia: too much of a good thing! Discussion	Dr. Mohamed Essam
11:55 – 12:00 PM		
12:00 – 12:30	Coffee Break and Zuhr prayer	
12:30 – 02:00	Workshop 1: Electrolyte disorders – Hands on Case scenarios (Part 1)	Dr. Rowan Zyada Dr. Ahmed Soliman Dr. Sara Rafaat Dr. Mariam Elsayed Dr. Alaa Abd Elmowala Dr. Alyaa Elghitani Dr. Engy Emam Dr. Merna AbouKhatwa

The 7th KUC annual
conference..

Day 1
Nov. 28th

Session 2: Electrolyte disorders: Basic concepts and clinical implications

Moderated by: Prof. Dr. Eman Algohary, Prof. Dr. Heba Alshaer

02:00 – 02:15	Symposium A - Biomed	
02:15 – 02:30	Lecture 7: Magnesium Matters: from deficiency to overload	Ass. Prof. Dr. Rasha Gawish
02:30 – 02:35	Discussion	
02:35 – 02:50	Lecture 8: Phosphorus disorders, balancing risks, and benefits	Ass. Prof. Dr. Hesham ElGhonaimy
02:50 – 02:55	Discussion	
02:55 – 03:10	Lecture 9: Chloride puzzle: the hidden role in acid-base balance	Ass. Prof. Dr. Noha Elkholy
03:10 – 03:15	Discussion	
03:15 – 03:30	Asr prayer	
03:30 – 03:45	Symposium B - Roche	
3:45 – 05:00	Workshop 2: Electrolyte disorders – Hands on Case scenarios (Part 2)	Dr. Osama Refaie Dr. Norhan Awad Dr. Esraa Shaban Dr. Raghda Ashraf Dr. Amira Balbaa Dr. Nourhan Ahmed Dr. Ramy Elwaraky
05:00 – 05:15	Maghreb prayer	

Session 3: Advanced concepts in Electrolyte disturbance

Moderated by: Prof. Dr. Yasser Abdulhamid, Dr. Karim Salem

5:15 – 5:30	Endocrinologist perspectives in electrolyte disturbance	Prof. Dr. Tamer Elsherbiny
5:30 – 5:35	Discussion	
5:35 – 5:50	Electrolyte disturbance in Malignancy	Dr. EL Hassan Ayman
5:50 – 5:55	Discussion	
5:55 – 6:10	Urology perspectives in electrolytes and acid-base balance	Dr. Ziad Fahmy
6:10 – 6:15	Discussion	
6:15 – 6:30	Symposium C – Utopia	
6:30 – 7:00	Isha prayer and Dinner	

*The 7th KUC annual
conference..*

**Day 2
Nov. 29th**

Session 4: Acid-Base Disorders

Moderated by: Prof. Dr. Saed Khamis, Prof. Dr. Yasmin Naga

9:30 – 10:15	ABG in hurry	Ass. Prof. Dr. Mohamed Mamdouh
10:15 – 11:30	Advanced Acid-base and electrolyte disorders	Prof. Dr. Ahmed El Keraie
11:30 – 12:45	Goma prayer and Coffee Break	
12:45 – 01:00	Symposium D - Rameda	
01:00 – 02:00	Workshop 3: Optimizing dietary intake with electrolyte disorders	Dr. Doha Magdy Dr. Yasmine El Keraie
02:00 – 03:00	Workshop 4: Electrolyte disorders and ECG	Dr. Mahmoud Shehata
03:00 – 03:15	Symposium E - Sandoz	
03:15 – 03:30	Asr prayer	
03:30 - 04:45	Workshop 5: Clinical pharmacy workshop Selection, dosing, administration considerations of IV fluids and electrolytes	Dr. Alyaa Elghitani Dr. Amira Balbaa Dr. Engy Emam Dr. Merna AbouKhatwa Dr. Nourhan Ahmed Dr. Hanaa Saeed Dr. Ahmed Abd El Hafez Dr. Amr El Gohary Dr. Ramy Elwaraky
04:45 – 05:00	Symposium F – Multi Care	
05:00 – 05:15	Maghreb prayer	

Session 5: Electrolytes in Critical Situations

Moderated by: Prof. Dr. Ahmed Elkeraie, Ass. Prof. Dr. Atef Mahrous

5:15 – 05:30	Challenges in management of acid-base and electrolyte disorders in critically ill patients	Dr. Haytham Meligy
05:30 – 05:35		
05:35 – 05:55	Electrolyte management during CRRT and PEX	Dr. Sara Taha
05:55 – 06:00		
06:00 – 06:15	Quiz and Prizes and closing remarks	Prof. Dr. Ahmed Elkeraie
06:15 – 06:30	Isha prayer and Dinner

EGMED

ENHANCING PATIENTS LIVES

The All Purpose Bicarbonate Cartridge

- * Simplified clinical logistics, no requirement to order and store multiple sized
- * Each Single EG Cart cartridge 720g provide sufficient bicarbonate for the majority of your in- center needs

The convenience Of Bicarbonate Powder

- * Use of dry powder cartridge vs. liquid bicarbonate has been shown to minimize the risk of microbial contamination and bacterial growth which, along with an ultrafilter, can assist in the creation of ultra pure dialysis fluid quality

Easy To Use

- * Ergonomic design with cap closure, aiming for clean and safe disposal after treatment
- * Ergonomic cartridge size with minimal waste and less environmental impact compared to disposable liquid bicarbonate in jugs

Features

- * No cleaning, testing or disinfecting required for containers or central supply loop

Specification / Directions

- * EG Cart cartridge is attached to the machine, prepared and proportionated online
- * The monitoring of dialysate bacteriology should be conducted per your facility procedures
- * EG Cart cartridge is intended for preparation of hemodialysis solutions
- * Packaging 720g/600g
EG Cart 10 units/ Carton
- * Shelf life 3 Years
