## Alex

Dear Esteemed Colleagues, Distinguished Speakers, and Honored Guests,

It is with great pleasure that we welcome you to the International Internal Medicine Conference 2025, taking place on February 8-9, 2025. This prestigious event brings together leading experts, researchers, and practitioners from around the globe to share groundbreaking insights, foster collaboration, and advance the field of internal medicine.

Over the next two days, we will explore the latest innovations, discuss emerging challenges, and celebrate the remarkable progress being made in patient care and medical research. Your participation and contributions are invaluable, and we are excited to embark on this journey of knowledge exchange and professional growth together.

We extend our heartfelt gratitude to our sponsors, organizers, and everyone who has worked tirelessly to make this conference possible. Let us seize this opportunity to connect, learn, and inspire one another as we strive to shape the future of internal medicine.

Welcome, and we wish you a productive and enriching experience at the \*International Internal Medicine Conference 2025!

Warm regards,

**Conference Presidents**  
Brigadier Dr. Mohamed Abdel-Ghany  
Lutenant Colonel Dr. Ebrahim Eid Basyouny

#### Dosage:

For oral use

This medicine is not recommended for children under 12 years of age.

Keep all medicine out of the sight & reach of the children.

#### Constipation

Adults, adolescents and elderly:  
1 sachet (= 1 dose) dissolved in 125 ml (1/4 pint) of water.

Take this 1-3 times per day according to the severity of your constipation.

Long term use: 1 sachet dissolved in 125 ml (1/4 pint) of water up to 2 times per day.

#### Faecal Impaction

Adults, adolescents and elderly:  
8 sachets daily, all of which should be consumed within a 6 hour period. Each sachet is dissolved in 125 ml (1/4 pint) of water. (For convenience, 8 sachets can be dissolved in 1 litre of water to be taken within a 6-hour period.)

Treatment can be taken for up to 3 days.  
Read the package leaflet before use.
