## *Welcome Message*

Our Colleague,

Benha Faculty of Medicine is deeply honored to welcome you as a distinguished guest to share and attend the annual medical conference, which is the main event of the year for our college.

The theme of our meeting this year is “Health Improvement, Back to Nature” gives us a broad spectrum for different departments in our college to present and discuss different topics that help to improve the health of our people and improve our medical education and the practical implementation. It gives us much pleasure to give the opportunity to students in our college to share their scientific presentations in their 3rd annual conference.

We hope that colleagues in different departments succeeded in covering all your interesting topics and you gain maximum benefit from your attendance.

Conference President

**Prof. Mohamed Elashhab**

Dean of Benha Faculty of Medicine
