WELCOME MESSAGE

It's our pleasure to invite you to participate in

15th Annual Conference
of the obstetrics and Gynecology Department
Mahalla General Hospital

We aim to advance our knowledge and skills in Obstetrics & Gynecology in cooperation with a group including the most eminent obstetricians and Gynecological surgeons all over Egypt and world.

Our program will include a variety of topics, we hope that our program meet the expectation of all of us.

I am very grateful to the organizing committee and everyone who helped us in completing this hard effort.
