of medicine

Prof. **Adel Al-Adawy**
EMA President
(Former Minister of Health)

HIP & KNEE ARTHROPLASTY — COURSE — FROM A TO Z

— INTERNATIONAL SPEAKERS —

22 - 23
October 2026

Tolip Gardens
Cairo

Two intensive days
of advanced learning, clinical experience, and practical insights.

22-10-26

Time	Topic	Speaker
10:00–10:30	Modern Concepts in Hip & Knee Arthroplasty: Where Are We Now?	Prof. Dr. Mohamed Abdel Rahman – Ain Shams University
10:30–11:00	Patient Selection and Preoperative Planning for Joint Replacement	Prof. Dr. Fouad Zamel Sadek – Cairo University
11:00–11:30	Surgical Approaches to Total Hip Arthroplasty: Posterior vs Direct Anterior	Prof. Dr. Ibrahim El Ganzouri – Ain Shams University
11:30–12:00	Primary Total Hip Arthroplasty: Implant Selection and Surgical Technique	Prof. Dr. Ahmed Hazem AbdelAzeem – Cairo University
12:00–12:30	Difficult Primary THA: Dysplasia, Ankylosis and Post-Traumatic Hip	Prof. Dr. Fouad Zamel Sadek – Cairo University
12:30–1:00	Periprosthetic Joint Infection after THA: Prevention and Management	Prof. Dr. Mohamed Abdelmoemen Abuelhadid – Ain Shams University
1:00–1:30	Revision Total Hip Arthroplasty: Principles and Strategies	Prof. Dr. Mahmoud Abdel Karim – Cairo University
1:30–2:00	Periprosthetic Fractures Around the Hip: Classification and Treatment	Prof. Dr. Ali Mohamedein Mohamed Khalil – Assiut University
2:00–2:30	LUNCH / NETWORKING BREAK	—
2:30–3:00	Total Knee Arthroplasty: Alignment Philosophy and Implant Positioning	Prof. Dr. Amr Abdel Hady – Ain Shams University
3:00–3:30	Mechanical vs Kinematic Alignment in TKA: What Should We Choose?	Prof. Dr. Ihab El-Desouky – Cairo University
3:30–4:00	Balancing the Knee in Primary TKA: Practical Tips and Tricks	Prof. Dr. Wael Osman – Ain Shams University
4:00–4:30	Managing Severe Varus and Valgus Deformities in TKA	Prof. Dr. Ahmed Refaat Khamis – Benha University
4:30–5:00	Patellofemoral Problems after Total Knee Arthroplasty	Prof. Dr. Faisal Zayed – Al-Azhar University
5:00–5:30	Revision TKA: Principles, Bone Loss and Constraint Selection	Dr. Amr Amal Amin – Ain Shams University
5:30–6:00	Periprosthetic Joint Infection after TKA: Diagnosis and Treatment Algorithm	Prof. Dr. Elzaher Hassan – Ain Shams University
6:00–6:30	Robotic and Computer-Assisted Arthroplasty: Current Evidence and Future Directions	Prof. Dr. Ahmed A. Khalifa – South Valley University
6:30–7:00	Enhanced Recovery After Arthroplasty: From Preoperative Optimization to Early Mobilization	Prof. Dr. Mohamed Assal – Ain Shams University
7:00–7:30	Complications after Hip & Knee Arthroplasty: How to Prevent and Manage Them	Prof. Dr. Ayman Ebeid – Menoufia University
7:30–8:00	Interactive Case Discussion: Challenging Hip & Knee Arthroplasty Cases	Panel Discussion – Selected Faculty

23-10-26

Time	Topic	Speaker
10:00–10:30	The Failed Total Hip Arthroplasty: A Systematic Approach to Diagnosis	Prof. Dr. Sherif Ahmed Khaled – Cairo University
10:30–11:00	Acetabular Bone Loss in Revision THA: Classification and Reconstruction Options	Prof. Dr. Fouad Zamel Sadek – Cairo University
11:00–11:30	Femoral Bone Loss in Revision THA: From Paprosky Classification to Reconstruction	Prof. Dr. Ibrahim El Ganzouri – Ain Shams University
11:30–12:00	Dislocation after Total Hip Arthroplasty: Prevention and Management	Prof. Dr. Mohamed Abdel Rahman – Ain Shams University
12:00–12:30	Periprosthetic Joint Infection: The Current Diagnostic Work-up	Dr. Mohammed Abdelmoemen Abuelhadid – Ain Shams University
12:30–1:00	DAIR, One-Stage or Two-Stage Revision: How Do I Decide?	Prof. Dr. Sherif Ahmed Khaled – Cairo University
1:00–1:30	Periprosthetic Femoral Fractures after THA: Treatment Strategies	Prof. Dr. Ibrahim El Ganzouri – Ain Shams University
1:30–2:00	Complex Primary THA: Dysplasia, Protrusio and Ankylosed Hip	Prof. Dr. Fouad Zamel Sadek – Cairo University
2:00–2:30	LUNCH / NETWORKING BREAK	—
2:30–3:00	The Painful Total Knee Arthroplasty: A Diagnostic Algorithm	Prof. Dr. Amr Abdel Hady – Ain Shams University
3:00–3:30	Instability after TKA: Causes, Prevention and Treatment	Prof. Dr. Sherif A. Elghazaly – Ain Shams University
3:30–4:00	Bone Loss in Revision TKA: Cones, Sleeves and Augments	Dr. Amr Amal Amin – Ain Shams University
4:00–4:30	Revision TKA: Choosing the Right Level of Constraint	Prof. Dr. Amr Abdel Hady – Ain Shams University
4:30–5:00	Extensor Mechanism Problems after TKA: Prevention and Reconstruction	Prof. Dr. Mahmoud Abdelwahab – Ain Shams University
5:00–5:30	Periprosthetic Joint Infection after TKA: Surgical Strategies	Dr. Mohammed Abdelmoemen Abuelhadid – Ain Shams University
5:30–6:00	Periprosthetic Fractures Around the Knee: Classification and Management	Prof. Dr. Sherif Ahmed Khaled – Cairo University
6:00–6:30	Robotic-Assisted Total Knee Arthroplasty: What Does the Evidence Really Show?	Prof. Dr. Ahmed Saeed Younis – Ain Shams University
6:30–7:00	Patient-Specific Implants and Digital Planning in Hip & Knee Arthroplasty	Dr. Ahmed Nagib – Ain Shams University
7:00–7:30	Enhanced Recovery and Outpatient Joint Replacement: Is Same-Day Discharge Safe?	Prof. Dr. Mohamed Amr – Cairo University
7:30–8:00	Interactive Case-Based Panel: Complex Hip & Knee Arthroplasty Cases	Faculty Panel Discussion
